Volume 40, Issue 10

OCTOBER, 2007

## PRESIDENT'S MESSAGE

Greetings to all Sooner Model A'ers,

On Thursday, September 27, we had six cars make the trek to the Wellington Retirement Center. They were: **Bill Harris, Jim McDonald, Claude Blackwell, Bob & Joan Bordwine, Dewayne & Katie Owens and yours truly.** The folks seemed to enjoy looking at the cars and most had stories of times past. The most amazing was a lady that is 102 yrs. Although she used a walker, her mind had not lost a click....made me envious.

Saturday, October 6, was the Czech Festival Parade in Yukon. We again had six cars: **David & Beth Dixon, Dewayne & Katie Owens, special guest Gerald Goddard (Darla's Dad) & Claude and Darla Blackwell, Ralph & Linda Baker, VaughnCille and her son, Doug, and Helen and myself.** The parade was well attended and after finally getting out of the parade, we had a nice lunch at the Interurban at Mustang & Reno.

Last month's excellent demonstration was on carburetors. It was presented by Bill Harris who did an outstanding job explaining how the Zenith carburetor works and how to adjust it. There was also a nice handout for future reference. See you on October 16th.

Respectfully, *Johnny Gentry*

**MY MODEL A: AS A RESULT OF A TORNADO! By Linda Shaw (continued)**

Returned home on June 30th as experienced and tired RV'ers. Now let us fast-forward to August 25, 2005 about 1:35 pm.

Entering my house, I hear a voice leaving a message on the answering machine—"This is Jim Baldauf from Fon-de-lac, WI—just checking to see if you're still interested in the 1930 Model A." I dashed for and answered before he could hang up. I hadn't moved that fast for a long time Steve says. I asked him to wait while I located my 2003 vacation photos and found the of me and HER. I got all the details— price, etc. and was informed that some family friend of Mr. Kuen's had first choice and they were going to come look the next day. I was excited, then deflated—I couldn't sleep. The next day, I called the credit union about transferring the money, hotels, flatbed trailer rentals, my insurance agent, the local tag agency—I was all ready waiting for the call to see if it was to be mine. While I was patiently waiting for the phone call, Steve told me "Call the man and just tell him you want it!" So I did. Mr. Baldauf called Mr. Kuen and called me back and said "YES".

Just celebrated our 25th Anniversary taking some fun photos in my wedding dress and updated the original car sign.

Veteran's Home, Rolla, MO—Steve, dad Bob Shaw, Uncle Russell (in wheelchair) & friend

Steve's friend, Ron Post, loaned us his trailer to pick her up and we schedule the trip on the Labor Day weekend. Well, I got ill and Steve went by himself— but he stopped at home in St. Louis to pick up his dad for company and navigator. They drove straight thru, loaded her and back to Missouri in 24 and 1/2 hours; showed her off to the rest of the family. On the way home to OK, I asked for him to stop at the VA home in Rolla, MO to show his Uncle Russell. Uncle Russell and his friends loved seeing the old car and thanked us. He passed away the next month.

When my birthday present and Steve arrived home late on September 8, my first glance of her was as I was walking to the car on my way to the hospital. I took the photo of her from 2003 with me and showed it to everybody. When I as released on the 13th, we came straight home and drove her to the insurance agent and then to the tag agency, then to the local voting precinct (where I used to volunteer) then to my mom's to take her for a ride.

Steve reminds me of the 996 one-way miles and the \$400+ in gas and tolls to get my special dream car for my birthday and I remind him that of all the places we left our names interested in the different cars in our travels. It could have been the one in Sandwich, MA; Menden, NE; or even the one in England. Anyhow, grateful for/or to the 2003 tornado? Maybe I'm stretching it too far! We joined the Sooner Model A Club in November and are looking forward to sharing our time and AOKLADY. Thanks for letting me share my story.
