PRESIDENT'S MESSAGE

Greetings to all,

On Saturday, October 26, we had the Red Ribbon Parade in Moore. It was kicked off by breakfast at Bob & Joan Bordwine's where there was all kinds of goodies. There were eight cars in the parade. After the parade, we went to Dave & Beth Dixon's home for lunch where again there was more good food than we could eat. We appreciate both of these couples for their gracious hospitality.

As all of this was happening, the Fall Foliage Tour was going on in Bartlesville and was hosted by the Tulsa club. There will be a report on these activities at the meeting.

I would like to take this time to give a special thanks to Bob Bordwine and the people who assisted him; Bill Harris, Bill Jenkins and Dewayne Owens, for all the demonstrations they put on at the end of each club meeting. This is what most come to the meetings for.

The Stockyards Christmas Parade will be December 1. Line up at 9:00 AM and parade at 10:00 AM. Line up at Penn & Exchange Avenue.

Respectfully,
Johnny Gentry

MOORE RED RIBBON PARADE

What a beautiful fall day for a parade. The weather was great and the streets of Moore were lined with wide eyed kids and parents. All the kids wanted candy and to hear the Model A's honk their AGHOO horn's. The morning started off early with breakfast at Bob and Joan's home. Breakfast included the usual gravy and biscuits plus a lot more goodies. There were ten club members and their Model A's that participated in the parade. After the parade most members drove over to Beth and David Dixon's home. There we had a great lunch which included cold cuts and all the fixings. We also got the view Dave's newly acquired VW bug.

FALL FOLIAGE TOUR—BARTLESVILLE, OK

The Tulsa club could not have order better weather for the weekend than we had in Bartlesville. Four Model A's toured up on Friday morning—Bill Harris and his friend Paul Edmonds; Vaughn Cille Weidner and her friend Nina Lutrick; Bill & Carma Jenkins and Don & Marilyn Mitchell. We left Oklahoma City at 8 AM and had a very pleasant drive. We arrived in Bartlesville at 1:30 PM after stopping for lunch. Claude & Darla Blackwell and Terry & Rhonda Cavnar trailered their cars and Jeanette Feken drove a modern car.

The Hotel Phillips is a very nicely restored hotel and all the facilities were great. We all left the hotel at 3:00 pm for a tour to Prairie Song which is a turn of the century ranch. We toured the ranch and had a catered BBQ dinner in the saloon. When we drove home, it was dark and this was the first time I had driven my car in the dark but it went OK. Janette Faken rode with Nina and I.

Saturday morning we left at 9 AM for Woolaroc which is the Frank Phillips Museum and wildlife preserve. They took us the long route and it was a 75 mile trip but very scenic. We stopped once for a potty break and it turned out the station had only one “potty” and it was for both men and women. There were 60 people on the tour so that stop took a while to complete. Our entertainment during that time was that this station was also a weight check for deer hunters. So we got to see all of these hunters bring in dead deer and have them weighed. I must say it was very interesting.

We had a catered picnic lunch at Woolaroc and left there about 2:00 PM for Dewey where we did some serious antique shopping. We arrived at the hotel at 3:30 PM and at 5:30 PM we left the hotel for dinner at a nice restaurant in Bartlesville (I can't remember the name right now) but it was good. We drove back to the hotel after dark again. So I got lots of practice driving in the dark.

We left Sunday morning at 8 AM and arrived in OKC at 12:30 PM. Again, it was a very pleasant drive back except I had a knocking noise coming from my engine. The guys said it sounded like a bearing so I left it at Bill Jenkin's house and hitched a ride home with a friend. All-in-all it was a very fun weekend. Tulsa did a good job of planning everything and kept us very busy. I was very tired after driving all weekend with none of my “power” stuff I am used to on the car.

This was taken at Woolaroc.

This was taken by me as I was driving down the road. That is as bad as talking on the cell phone—right!

This was at Prairie Song at the covered bridge.
