Dear Model A'ers:

Well, here it is May already... Our spring picnic was a wet, but great success. We owe MANY, MANY THANKS, to Helen & Johnny Gentry. Thanks to Bob Bordwine for preparing and cooking the steaks.

The Armed Forces Day parade in Del City was wet and long. Some of our group went to Mazzio's after the parade. Thanks to Jerry Amend and Pat Gordon for coordinating this event.

See you at the May meeting.

DeWayne Owens

### 24th ANNUAL CAR SHOW, WOODLAND PARK, SHAWNEE, JUNE 27

Clifton Hill has talked to the Knights Auto Club (that puts on this car show) and they have agreed to create a special class for 1928-1931 Model A Fords (restored or un-restored). The park is a nicely tree-shaded park and offers a pleasant location to display Model A Fords and visit with other car owners and the general public. There is a former high school parking lot only a block north of the NE corner of Woodland Park which could be used to unload trailered vehicles. Woodland Park is located in the 400 block of North Broadway, just North of the County Court House.

The Shawnee Stained Glass Tour that Laurie has set up is all within walking distance of the car show. The tour includes a couple of churches, etc. The Okie A's will also be joining us.

## Okarche and Eichen's Bar outing

Boy, someone in the Model "A" Club is sure living right. We had beautiful weather for the outing April 18. The morning started out kind of blustery and looked like it could rain any minute, but didn't. As the day wore on the sun came out and it warmed up. Not too warm and not too cold.

Seven Model "A's" and two modern cars meet at Braum's on Northwest Expressway and from there drove to Okarche. First stop was a second-hand store junk store from my perspective, but from the man's perspective it was good junk. Next door was a cafe that sold cinnamon rolls. Don and Marilyn bought some and shared. They were very delicious, even though we had all just eaten breakfast about an hour before.

It was too early to go to Eichen's bar for lunch so we decided to drive to Kingfisher. There they were having an 1800's day celebration where we toured the building and outside facilities. They were showing how to make lace. There was crochet, tatting, and shuttle lace making. They also had some Oklahoma History books for sale. There were a number of things pertaining to early history, which every one seemed to enjoy seeing. They had a gun fight, some singing in Church, etc. I saw Bill Jenkins adjust his hearing aid, and I told him it wasn't his aid but the church singing. WHAT DOES THAT TELL YOU ABOUT THE SINGING?

About noon we drove back to Okarche and ate at Eichen's bar. Most had the fried chicken and okra. It was a very good meal. You eat with your fingers and paper for a plate. Just like having a picnic. For those of you who did not get to participate, you missed a good time.
