REFRESHMENTS

Dear Model A'ers:

The Liberty Fest parade in Edmond was one of the best in recent years. The day was cloudy with temperatures in the upper 80's and lower 90's. There were a great many people there and they seemed to enjoy the Model A's.

After the parade we met at Charleston's and enjoyed great food, good service and even greater fellowship. I understand per Bill Jenkins that the club won first place and have a plaque and check coming.

I look forward to seeing each of you on July 21, for our watermelon feast.

Clifton Hill entered a couple of cars that I know of (maybe more) in the car show. This is a picture of his 1928 Ford and a plaque with the story of this car. He also had a very rare car there but I failed to get the information on it so you will have to ask Clifton to tell you and show pictures.

SHAWNEE CAR SHOW & PICKARD ARTISTIC GLASS ETCHING TOUR SATURDAY, JUNE 27

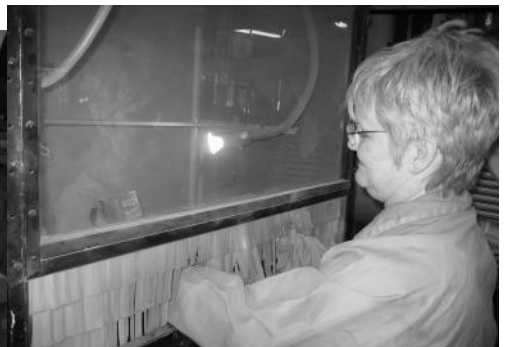

If you missed the car show and glass etching event you missed a really hot and fun time. The car show had lots a beautiful muscle, classic, antique cars and some really cool motorcycles displayed.

Thank goodness there were lots of trees in the park and I went from one shade tree to the next to view the displays. Those that were sitting in the sun I only saw from a distance. A few club members brought their Model A's but due to the long, hot drive back to Yukon, Doug, Claire and I decided to take the modern car. We were really glad we made that decision about 3:00 PM when we were heading back in 100 degree temperatures. (see more on page 3)

The Pickard Artistic Glass Etching was a lot of fun and somewhat cooler since it was inside. Several of the club members purchased a coffee mug and they furnished a stencil for us to cut out and tape on the cup. We then held it in a sandblaster and blasted off the outer paint to reveal the name of our club. It was a dirty job and fun. They have lots of beautiful etched glass they have designed and that is for sale.

JULY 4TH LIBERTY FEST PARADE IN EDMOND

The July 4th parade was well attended by both club members and onlookers. The weather cooperated in that it was hot but during the parade there was a cloud cover that was very welcoming. There were 11 Model A's in the parade and over 20 people at the lunch after the parade at Charleston's in Edmond. This is always a fun parade. Everyone was very patriotic with red, white and blue everywhere. Here are a few pictures from the event.
