Greetings From Will

Well with the opening of football season that confirms that summer has come to an end. Now I know that the temperatures haven't signaled that change but it is here never the less.

September brings not only football but it also brings for these Sooners arguably the biggest event of the year. The annual Beauty and the Beast dinner and auction has turned into one the most well attended events of the year. While we have been spoiled for years by Bill Harris's Chili dinner, this year they find themselves on a river cruise in Europe so this year we will have the dinner catered by Swadley's BBQ. If you have a dessert you would like to bring and share that will be great. Bring whatever you would like to auction off for this event. While Model A parts and memorabilia are always welcome, be creative. Nothing is off limits here. Don't miss this great opportunity to clean out that closet or that corner of the garage.

Ken Reding and Betty Schwarz will again be here to conduct the auction. If you can label your item or items to help him better sell your item then please take a minute and write a brief description. Any and all help will make this auction a success.

Normal club meeting time is 7 pm but for this event we will start at 6:30 pm. We ask that you arrive early and eat dinner so we can get the auction started as soon as possible.

October brings another full month of activities. The Czech Festival, the annual Red Ribbon Parade in Moore, (I prefer to call it the Bob and Joan Bordwine Biscuit and Gravy Parade) and, of course, the FALL TOUR! 27 people have already registered for the event. Don't forget registration closes October 1st.

See you at the Meeting!

BONES

The membership of every organization is said to be made up of five kinds of bones:

Wishbones—who spend all their time wishing someone else would do the work:

Jawbones—who do all the talking but very little of anything else;

Knucklebones --who knocks everything that anyone else tries to do;

Heel bones — who makes fun of what everyone else does;

BACKBONES —who get under the load and get the job done.

What kind of bone are you? Let's all be **SOONER BACKBONES!!!**
